Attendance and Punctuality Policy

Date: September 2023
Review Due: September 2024

Reviewed Annually

Regular attendance and punctuality are essential prerequisites for effective schooling. At Nicholas Chamberlaine School we strive to meet a whole school attendance target of 97% and provide a welcoming, caring environment in which each member of the school feels wanted and secure. This in turn will enable each student to realise his or her true potential. If good attendance is to be secured, the co-operation of everyone involved is essential. Teachers, students, parents, governors, Warwickshire Attendance Service (WAS), the LA and various outside agencies must work together to ensure success. To meet these objectives the school will maintain effective and efficient systems of communications.

Good attendance will improve the quality of school life by:

- Ensuring consistency in relationships
- Demonstrating the value placed on education by all participants
- Emphasising the value placed on each individual student by the use of an appropriate Behaviour Policy.

Aim of this policy

The aim of this policy is to create a culture in which good attendance and punctuality are the accepted norm.

- To improve the overall percentage of students attending school
- To reduce the numbers of persistent absentees, (A persistent absentee is when a student's attendance rate falls below 90%)
- To make attendance and punctuality a priority for all associated with the school
- Provide support, advice and guidance to parents and students
- To promote effective communication and partnership with Warwickshire Attendance Service, other services and agencies, parents and students.

Objective of this policy

The objective of this policy is to make good attendance and punctuality essential and integral to everyday school life. This will be done by:

- Supporting class teachers, the school management and administrators in promoting and monitoring good attendance and punctuality
- Informing students, parents and others of school policy and legal requirements, working in partnership
- Recognising the need of the individual student when planning reintegration following periods of absence.

Framework to assist in securing Good Attendance

- A clear statement of responsibilities and expectations
- Attendance and punctuality given high value in the life of the school
- Accurate recording in registers and checks to pick up post registration truancy
- Consistent adherence to follow-up procedures
- Formal monitoring procedures for the whole school and individual students
- Accessing external agency support, as appropriate
- Have clear procedures prior to referral to Warwickshire Attendance Service (WAS) (stage 1, 2, 3)

At Nicholas Chamberlaine School, we define key levels of attendance as:

95 – 100%	<p>GOOD –> EXCELLENT</p> <p>Parents may receive a positive praise letter/telephone call home. Students will be rewarded and praised in school.</p>
90.1 – 94.9%	<p>CAUTION NEEDS TO IMPROVE –</p> <p>An Expression of Concern Letter may be sent to alert parents/guardians of our attendance concerns regarding their child, where appropriate a call home may be made by the form tutor to discuss the concerns. Students' Form Tutors will mentor & monitor their students, focusing on removing barriers to attending school. These will be identified by return to school meetings with pupils or conversations with parents and patterns of absence being established.</p> <p>If a pupil falls below the required 90% and the Pastoral Team having tried all options for removing barriers for school, they will alert the Attendance Team who will begin the formal attendance process.</p>
90 % or Below Stage 1	<p>FORMAL STAGE ONE 90 Day Attendance Target</p> <p>The Head of Year or Year Lead will contact parents / guardians to invite to a meeting along with the pupil (either face to face or via the telephone) to discuss attendance concerns and any barriers to attending school. Support option may be identified and offered, to break down any barriers to pupil attending school. Once this has been agreed a letter will be sent to the parent/guardian to confirm the support and actions agreed and a 90 day attendance target will be put in place. All absence will be marked as unauthorised unless official medical evidence is provided.</p> <p>During the 90 day period, Heads' of Year and Year Leads will monitor and review the situation regularly, this will include following up on any support offered and calling home if there is an absence from school.</p> <p>Once the 90 day period has passed and a pupil meets the agreed target, the Formal monitoring will cease. If over the next rolling 12-month period, the pupils attendance drops below 90% they will automatically be placed back on a Level 1 monitoring target.</p>
90% or below Stage 2	<p>FORMAL STAGE TWO – 30 Day Target</p> <p>Parents/ Guardian may be sent a stage 2 letter inviting them to attend an Attendance panel Meeting with a Head of Year/Attendance Officer/SENCO/SLT on school premises. During this meeting, we will revisit all support that has been offered, and any further support that might be needed. The outcome of that meeting may be that an official attendance-monitoring target will be set for a period of 30 days. During this time, we will continue to identify and remove barriers of non-attendance.</p> <p>Once the 30 day period has passed and a pupil meets the agreed target, the Formal monitoring will cease. If over the next rolling 12 month period, the pupil's attendance drops below 90% they will be placed back on a stage 1 formal target. If the target has failed, the case may be submitted to WAS for consultation</p>
STAGE 3 LEGAL	<p>Previous support will be reviewed by AT, SLT, Year Lead. Where all support has been declined or failed a referral will be made to WAS for consultation. In some cases parents can be issued with a Fixed Penalty Notice, Fines or Fast Track to Prosecution may be initiated.</p>

Principles

We believe the following important principles underpin our approach to managing attendance:

- Students and parents/carers understand the issues and procedures for attendance and punctuality.
- All school staff, including governors, administrative and support staff understand the issues and procedures for attendance and punctuality
- Clear procedures for enabling pupils to come to school
- Parents/carers and students having the opportunity to raise concerns and feel comfortable to discuss these with school
- Attendance issues are addressed in the curriculum allocating resources e.g. time, people, space to support the policy
- Rewarding students who have for good attendance and those who strive to improve their attendance
- Identifying patterns of absence and intervening early. Patterns of attendance are established early in a school career. Children who miss significant amounts of their education in primary schools are more likely to non-attend later on. We will work with our feeder primary schools to identify vulnerable students and families so we can give them support early.
- Sanctions for failing to ensure regular attendance are fully understood by the whole school community and parents/carers.

Processes

- Each year the school will examine its attendance figures and set attendance targets. These will reflect national attendance targets.
- This policy will contain within it all the procedures required to meet the school's attendance targets.
- Attendance will be regularly monitored and intervention strategies put into place to address and improve identified attendance issues.
- The school will review its systems for improving attendance at regular intervals to ensure that it is achieving its set goals.

Roles & Responsibilities of the Student Care Team

We believe that improved school attendance can only be achieved if it is viewed as a shared responsibility of the school staff, governors, parents/carers, students and the wider school community.

The Governing Body will:

- Ensure that the importance and value of good attendance is promoted to pupils and their parents/carers.

- Report the school's attendance and related issues through termly reporting to the Head and Governing Body
- ensure that the School Admission and Attendance Registers are available for inspection by HMIs, registered inspectors or LA officers
- Have systems in place to report, record and monitor the attendance of all pupils, including those who are educated off-site

- Collate and analyse attendance data frequently to identify causes and patterns of absence
- Co-ordinate intervention strategies to reward positive and improved attendance.
- Work with the Year Leads and Attendance Team to interpret the data to develop solutions and to evaluate the effectiveness of interventions
- Involve the local authority and develop a multi-agency response to improve attendance and support pupils and their families

- Where no notification has been received, contact is made with the parent / carer of the pupil via the My Ed system txt messaging service.
- Message will be sent daily to Head of Year where no notification has been received by the end of the day in order for the form tutor to follow up the absence.
- On the 3rd day of absence if no notification has been received, the attendance team will liaise with Head of Year before calling or pay a home visit to the pupil.
- Attendance and punctuality data will provided to SLT, Year Leads on a regular basis.

- Discuss attendance issues with selected students as part of the whole-school attendance monitoring systems and procedures
- Keep the Head of Year informed of any signs of suspected truancy

- Inform the Head of Year of any possible underlying problems which might account for absences.

Classroom Teachers will:

- Check the attendance of students at their lessons
- Complete the attendance registers on SIMS at the start of every lesson.
- keep the Head of Year informed of any signs of suspected truancy

Parental Responsibility and/or Day-To-Day Care

Parents are responsible for ensuring their children receive education. Estranged parents with whom the child has had regular contact may be prosecuted as well as the day-to-day carer. Each situation must be dealt with on an individual basis, always remembering that the welfare and safety of the child is the paramount concern. The term 'parent' also includes those who are not a natural parent but have parental responsibility for the child as defined by the Children Act 1989 or who have care of the child as defined by the Education Act 1996.

The school expects Parents/ Carers to:

- Understand it is their legal responsibility to ensure that a student of compulsory school age attends school regularly.
- Provide school with an up to date address and telephone number to enable us to make contact. Advise us as soon as possible if you change any of your contact details.
- Contact the school on the first day of absence (**024 7631 2308, option 1**) **before the start of the school day** to let us know the reason for the absence and the expected date of return. This should be done on a daily basis, unless the absence is long term or it is known how long a child will be absent. Parents are also able to communicate via the My Ed App. This can be downloaded free via their relevant app store (e.g. App Store or Google Play)
- If the absence is a prolonged one, school can arrange to have work sent home to prevent students from falling behind. Absences of three days or more, parents may receive a call from a member of the Student Care Team, medical evidence may be asked to be provided, for example an official medical or dental appointment card, letter or prescription showing their child's name and the date.
- Ensure their child arrives at school in adequate time to enable a prompt start to their registration group. Those registering after registration has closed will be marked late in the school register.
- Talk to their son/daughter about their experiences in school and to take a positive interest in their child's learning and educational progress
- Instil the value of education and regular school attendance within the home
- Avoid unnecessary absences. Wherever possible make medical appointments outside of school hours.
- Ask the school for help if their child is experiencing difficulties
- Contact the school if their child refuses to attend. It may be because of an underlying psychological disorder, associated with anxiety, brought on, for example, by a change in circumstances such as the loss of a parent or sibling; a change of school or a real/imaged feeling of being bullied.
- Inform the school of any change in circumstances that may impact on their child's attendance.
- Support the school; take every opportunity to get involved in their child's education, form a positive relationship with school and acknowledge the importance of children receiving the same messages from both school and home

- Encourage routine at home, for example, bed times, home learning, preparing school bag and uniform the evening before
- Not keep their child off school to go shopping, to help at home or to look after other members of the family
- Avoid taking leave of absence during term-time.

Students are required to:

- Attend regularly unless they are ill or have an authorised absence ('attending regularly' means registering before the attendance register is closed for the session)
- If possible inform the school of their absence on the first day of non-attendance
- Make any request for leave of absence on the school's official leave of absence form.

Legal Issues

Section 7 of the 1996 Education Act states that parents must ensure that children of compulsory school age receive efficient full-time education suitable to their age, ability and aptitude to any special educational needs they may have, either by regular attendance at school or otherwise.

Parents are responsible for making this happen, either by registering the child at school or by making other arrangements, which provide an effective education.

A child is of Compulsory School Age at the beginning of the term following their 5th birthday. A child ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16. Under the Education Act 1996, the Local Authority has a statutory responsibility to ensure that parents secure education for children of compulsory school age and where necessary, use legal enforcement.

This responsibility is undertaken by Education Welfare.

The Education (Pupil Registration) (England) Regulations 2006, expect schools to take an attendance register twice a day, once at the start of the morning session and then again during the afternoon session.

The register must record whether the pupil was:

- present;
- absent;
- present at an approved educational activity; or
- Un-able to attend due to exceptional circumstances.

At Nicholas Chamberlaine School all Tutor Group registers will close at 9.00am

Afternoon registration takes place in Period 5 - the register will close 15 minutes after the start of Period 5.

Categorising Absence

Where pupils of compulsory school age are recorded as absent, the register must show whether the absence is authorised or unauthorised.

Absence can only be authorised by the school and cannot be authorised by parents/carers. All absences will be treated as unauthorised unless a satisfactory explanation and or evidence for the pupil's absence has been received.

Parents/carers should advise the school by telephone on the first day of absence and provide the school with an expected date of return. This should be followed up in the form of a written note from the parent/carer, though verbal explanations may be acceptable where this is considered appropriate.

Alternative arrangements will be agreed with non-English speaking parents/carers.

Absence will be categorised as follows:

Illness

In most cases a telephone call, text or a note from the parent/carer informing the school that their child is ill will be acceptable. Where there are repeated absences due to reported illness parents/carers may be asked to provide medical evidence. This will usually be in the form of an appointment card, prescription etc.

Medical/Dental Appointments

Parents /carers are advised where possible to make medical and dental appointments outside of the school day. Where this is not possible, pupils should attend school for part of the day. Parents should show the appointment card to school.

Other Authorised Circumstances

This relates to occasions where there is cause for absence due to exceptional circumstances, for example family bereavement, visiting a parent in prison or part time timetable agreed as part of a reintegration package.

Dual Registration

Dual registration is meant to cover situations where two institutions have shared responsibility for the education of a given student, e.g. a child on Alternative Provision.

Excluded (No alternative provision made)

Exclusion from attending school is counted as an authorised absence. The child's /form tutor/Head of Year will make arrangements for work to be sent home.

Leave of absence during term time

The regulations regarding Leave of Absence (The Education (Pupil Regulations) (England) Regulations 2006 as amended by Education (Pupil Regulations) (England) (Amendment) Regulations 2013.) advise:

- Heads **shall not grant any** Leave of Absence during term time **unless they consider** there are **exceptional** circumstances relating to the application.

Expectations

- Parents do not have any entitlement to take their children on holiday during term time. Any application for leave must establish that there are **exceptional circumstances** and the Head must be satisfied that the circumstances warrant the granting of leave.
- Heads will determine how many school days a child may be absent from school if the leave is granted.

- The school can only consider applications for Leave of Absence which are made by the resident parent, i.e. the parent with whom the child normally resides.
- Applications for Leave of Absence must be made in advance.
- When making an application for Leave of Absence in advance parents are advised to give sufficient information and time to allow the Head the opportunity to consider all the exceptional circumstances and to notify parents of their decision. It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is their responsibility to ascertain if the leave is authorised prior to the start of the leave.
- Applications for Leave of Absence which are made in advance and refused will result in the absence being “unauthorised” This may result in legal action against the parent, by way of Fixed Penalty Notice, if the child is absent from school during that period.
- Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence and could result in a Fixed Penalty Notice being issued to the parent(s).
- Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as ‘unauthorised’. This may result in legal action against the parent, by way of a Fixed Penalty Notice.
- All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service of Warwickshire County Council.
- The Warwickshire Attendance Service have the authority to consider issuing Fixed Penalty Notices for Leave of Absence in line with the Warwickshire County Council’s Non-School Attendance and Penalty Notices Code of Conduct. (A copy of which can be found at <https://www.warwickshire.gov.uk/pupilnonattendance>).
- It is important to note, Fixed Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices in the amount of £120 each, totalling £240 for both children, this is reduced to £60 each child if paid within 21 days).
- If a Fixed Penalty Notice is issued and is not paid within the timeframe set out in that Notice, the matter will be referred to Warwickshire County Council’s Legal Services to consider instigating criminal proceedings under S444 of Education Act 1996.

Each application for a Leave of Absence will be considered on a case by case basis and on its own merits.

Religious Observance

We acknowledge the multi-faith nature of British society and recognise that on some occasions, religious festivals may fall outside school holiday periods or weekends and this necessitates a consideration of authorised absence or special leave for religious observance.

The Head will review each application reasonably, and in consultation with the Attendance Lead, Head of Year and the parents.

The school expects advance notice, since religious festivals are likely to be fixed well ahead.

Administrative Codes

Unable to attend due to exceptional circumstances or planned whole of partial school closure
Adverse Weather

Recent winter weather conditions caused all kinds of problems for schools across the country and led to the government issuing new guidelines which came into force from September 2011. Schools will not be penalised if they are forced to close nor if they make every effort to stay open and their attendance statistics suffer accordingly.

Deletions from the Register

In accordance with the Education (Pupil Registration) (England) Regulations 2006, pupils will only be deleted from the register when one of the following circumstances applies:

- The pupil has ceased to be of compulsory school age
- Permanent exclusion has occurred and procedures have been completed
- Death of a pupil
- Transfer between schools
- Pupil withdrawn to be educated outside the school system
- Failure to return from an extended holiday after both the school and the local authority have tried to locate the pupil
- A medical condition prevents their attendance and return to the school before ending compulsory school-age
- In custody for more than four months (in discussion with The Youth Offending Team)
- 20 days continuous unauthorised absence and both the local authority and school have tried to locate the pupil
- Left the school but not known where he/she has gone after both the school and the local authority have tried to locate the pupil
- The school is replaced by another school on a School Attendance Order
- The School Attendance Order is revoked by the local authority

We follow Warwickshire Council's Children Missing Education Protocol when a student's whereabouts is unknown.

Potential Child Missing Education (CME)

If no reason has been provided for an absence the N code will appear against the students name on the register. If a student has been absent for 3 days with no reason provided (N code) as this is potentially a CME. A member of the Student Care Team will contact the parents/carers by telephone. Calls to other contacts from the student's details should also be made in order to establish the student's whereabouts if necessary i.e. no response is received from parents/carers. If contact is not made with the parents/carers or other contacts, a letter should be sent requesting parents/carers to contact school and provide a reason for the absence. If the absence is still unexplained after 5 days a home visit should take place

If there are still concerns about potential CME at this stage the local authority would be contacted. The attendance will be monitored daily and further checks will continue. If the student still remains absent from school for 10 consecutive days without authorisation, whose whereabouts is unknown a referral will be made to the CME Team in Warwickshire. Form Tutors/Heads of Year / Attendance Team should monitor the attendance of students who are on a staged concern or on the alert list (attendance and safeguarding reasons) and inform the Head of Year Leaders on the day of absence.

Distance from School

A student will not have failed to attend regularly if the parent can prove that the school is not within walking distance (defined as two miles for children under 8 and three miles for children over 8), in each case measured by the nearest available route, and where the LA has not made suitable arrangements for:

- Transport
- Boarding;
- Changing to another school nearer to the home.

Where there are such occurrences the Head will consult with the LA, and the Chair of Governors as appropriate.

Un-authorised absence

Absence will not be authorised unless parents have provided a satisfactory explanation and that it has been accepted as such by the school.

Examples of unsatisfactory explanations include:

- A pupil's/family member's birthday
- Shopping for uniforms/shoes
- Hair and beauty appointments
- Closure of a sibling's school for INSET (or other) purposes
- Illness where the child is considered well enough to attend school
- Leave of Absence taken without the authorisation of school

Persistent Absentees (PA)

A pupil becomes a persistent absentee when they miss 10% or more schooling across the year for **whatever reason**. Absence at this level is doing considerable damage to any student's educational prospects, and we expect parents'/carers' support and co-operation to tackle this. We monitor all absence thoroughly and any case that is seen to have reached the PA mark, or is at risk of moving towards that mark, is given priority.

Parents/carers will be informed of this by letter and where appropriate, will be invited to a meeting with the school's Attendance Lead/Head of Year in order to set targets for attendance and to explore opportunities to support the student and their families.

Discussions with any member of the Student Care Team may take place for any student at any time. A declining pattern or level of attendance may result in a letter from school informing parents/carers all further absences will not be authorised without medical confirmation – the school is responsible for authorising absence, not the parent/ carers.

Reintegrating Long Term Absentees:

Absence can significantly interrupt the continuity of students learning, and positive strategies should be employed to minimise such effects.

Key Principles

- We should always keep in touch with a student/and his/her family during a long absence
- We should always make sure he/she is welcomed back
- We should never make sarcastic comments about an absence – a thoughtless word can destroy hours of work by pastoral staff
- The Form Tutor/mentor should let the student know how to get in touch, at any time during the school day, if they experience any difficulties.

The Year Leader, SENDco, Form Tutor and Attendance Team monitors and reviews a student's return and keeps all staff updated – this is a shared responsibility. The Year Leader/SENDCo and Attendance Team will consider a phased return where appropriate.

Consideration needs to be given to any special needs the student may have and appropriate support identified.

Consideration must be given to providing a mentor (staff member/student)

Subject Teachers and Subject Leaders need to recognise a student's return and take any necessary steps to support their re-integration.

Use of Penalty Notices

School may request the Local Authority to issue Penalty Notices in respect of unauthorised absence in accordance with the local code of conduct.

The Local Authority will consider the issue of a Penalty Notice in those cases where a child's attendance has fallen below the level determined as the trigger for legal intervention AND it is considered likely that the issue of such a notice will bring about an improvement in attendance. Penalty notices may be used to tackle unauthorised absence in the following circumstances:-

- Where a parent/carer has chosen to take their child on holiday during term time when attendance is already low, especially where the absence will lead to the child missing public examinations e.g. GCSEs.
- Where following a truancy sweep, enquiries show that the school has recorded the student absence for that session as unauthorised.
- In cases where a student is persistently late for school after the register has closed.
- In cases where a student's parents/carers fail to work with the school and other services to improve attendance.

Penalty Notices will be issued where a pupil has 10 or more unauthorised absences in 100 sessions prior to the request for a Penalty Notice to be issued. In all cases, the LA will issue Penalty Notices in accordance with the published Warwickshire Code of Conduct. A copy of this Code can be obtained on application to the Education Social Work service, 22 Northgate Street, Warwick, CV34 4SP.

Use of the Fast Track System

The Fast Track Process will be used when a student's percentage attendance is exceptionally low. Attendance will be monitored by the school for four weeks; parents/carers will be notified of this by letter. At the end of this period if there is no improvement the case may be referred to Warwickshire Attendance Service who will consider whether the case should be referred for prosecution. The result of this can be a substantial fine or in some cases, imprisonment.

Using Attendance Data

Pupil's attendance will be monitored and may be shared with the Local Authority and other agencies if a student's attendance is a cause for concern.

The Pastoral Team will have weekly meetings to monitor students' attendance using the data collected to see if attendance has, stayed the same, improved or deteriorated. This student data will be used to trigger school action as set out in the escalation of intervention.

Attendance data will also be used to identify emerging patterns and trends to inform whole school/partnership strategies to improve attendance and attainment.

We will share attendance data with the Department for Education and the local authority as required.

All information shared will be done so in accordance with the Data Protection Act 1998. Support Systems. School recognise that poor attendance is often a sign that there are more serious issues going on in a child's life. This may be linked to problems at home and or in school. Parents/carers should make school aware of any difficulties or changes in circumstances that may affect their child's attendance and or behaviour in school, for example, bereavement, divorce/separation, incidents of domestic abuse. This will help the school identify any additional support that may be required.

We also recognise that some students are more likely to require additional support to attain good attendance, for example, those pupils with special educational needs, those with physical or mental health needs, migrant and refugee pupils and looked after children. The school will implement strategies to support improved attendance.

Strategies used will include:

- Discussion with parents and pupils
- Attendance panels
- Attendance/punctuality report cards
- Referrals to support agencies
- Learning mentors
- Student Voice Activities
- Friendship groups
- Pupil Support Group (PSG)
- Reward systems
- Time limited part time time-tables
- Additional learning support
- Behaviour support
- Reintegration support packages

Support offered to families will be child centred and planned in discussion and agreement with both parents/carers and students. Where parents/carers fail or refuse to engage with the support offered and further unauthorised absence occurs, we will refer to Warwickshire Attendance Service and the use of legal sanctions will be considered.
