

14 November 2022

Dear Year 11 NCS Families

We are delighted to announce the opening of our brand new, purpose-built VI Form College. New classrooms, study rooms, a large common room and refreshment facilities have been provided to create a study centre that all of our students can be proud of and thrive in. We are very grateful to the Griffin Sports Trust for helping us provide this superb university style campus environment to support all of our students' learning and care needs.

We would like to invite all of our Year 11 students and their families to view our facilities and meet key members of staff at our **Open Evening on Thursday December 1st from 6-8pm**. You will have the chance to listen to a presentation by Mr Smith and Ms Bayliss who will set out the academic and pastoral vision for our VI Form. You will then be able to take a tour of the new study centre and speak to subject staff. There will also be the chance to speak to some of our existing students.

For more details and information about courses, speak to Mr Smith Assistant Head responsible for VI form.

We look forward to seeing you here and to showing you what you can access in our outstanding new provision.

Nicholas Chamberlaine
VI Form

You are invited to the
Nicholas Chamberlaine
VI Form
