Enquiries about Results

Where a candidate is unhappy with the mark awarded for a particular exam unit, a clerical check or review of marking may be requested. The candidate will be required to acknowledge that his/her grade may be confirmed, raised or lowered and will be responsible for paying the relevant fee at the time of the request. The decision as to whether to support such an enquiry will be made by the school on the basis of several factors, including knowledge of the exam system and professional judgement

Return Of Script

Where a candidate wishes to review their script for further development or a decision of a re-sit entry, they may do so via the Examinations Office. Fees are payable at the time of the request unless the decision is made by the department for the return of the script, in which case the department would fund the request.

For Review of Marking requests and Script return, the request must be forwarded to the Subject Leader in the first instance.
