

July 2024

Dear Year 10 NCS families,

**Re: Year 10 Trial Exam Results and GCSE Information Evening
Tuesday 16 July 2024 - 5.00 pm - 6.00 pm**

As we approach a crucial phase in your child's academic journey, we would like to invite you to our Year 10 Trial Exam Results and GCSE Information Evening. It is essential that you attend so that you can be fully informed about your child's progress and know how to support your child to achieve fully GCSE examinations.

The evening's schedule is as follows:

Head's Greeting and Important Updates

Our Senior Leadership Team will provide a brief presentation to share essential information about key updates relevant to Year 10 students.

Elevate Education Parents' Seminar (External Company)

We are delighted to host a seminar by Elevate Education, an external company specialising in empowering students with effective study skills and exam strategies. This seminar aims to equip both parents/carers and students with tools to navigate the challenges of the upcoming GCSE examinations successfully. They will be available after the information session if you have any questions.

After these presentations:

Distribution of Trial Exam results and question level analysis packs

Information stands that you can visit - Careers and Sixth Form

This evening will provide valuable information and support as we approach Year 11 so we look forward to welcoming you on 16 July. If you have any questions or concerns in the meantime, please do not hesitate to contact us.

Best wishes
