

14 March 2024

Dear NCS Year 11 families,

We are writing to you about our Easter Intervention Programme tailored specifically for Year 11 students. **The schedule is on the page below.**

**We strongly urge all Year 11 students to participate** in sessions relevant to their needs to consolidate their understanding as they prepare for their Summer exams and the submission of coursework.

Please take a moment to review the schedule with your child and encourage them to attend as many sessions as possible. Together, we can support our students in thriving and achieving their academic goals.

**For planning purposes we would appreciate it if you could complete the Google Form with your child, indicating which sessions they will be attending:**

[https://docs.google.com/forms/d/e/1FAIpQLSc8Lka7kpj284DK-jQg\\_YOqqwHyy7Tw3YJHHebNWxImSczYog/viewform?usp=sf\\_link](https://docs.google.com/forms/d/e/1FAIpQLSc8Lka7kpj284DK-jQg_YOqqwHyy7Tw3YJHHebNWxImSczYog/viewform?usp=sf_link)

**Please respond to the form by Wednesday 20th March.**

Students must sign in and out when they attend. Room details will be shared via tutors and put on Google Classroom. They must be prompt to their session, and allow a few minutes to sign in. Students can go off-site and return if attending both a morning and afternoon session.

Please do not hesitate to contact us if you have any questions or require further information. Your continued support is greatly appreciated as we strive to assist our students in reaching their full potential.

Best wishes

Ms Minty  
Y11 SLT Lead
