

Our students did themselves proud during the trial exams period, showing a mature attitude and resilience throughout. They have worked incredibly hard and we are looking forward to sharing their results with them in school when they are available.

For those students who feel they would benefit from support around managing exam stress we will be holding drop-in sessions, offering general advice and management strategies, with Place2Be after the Easter holiday. These sessions will be held at lunchtimes on Monday 17th and Monday 24th April and are open to ALL students. Those who feel they may need more than this will be offered additional support. Refreshments will be provided.

Dates for your diary

22nd March - Period 7 lessons restart following exam period. Refreshments provided.
