NICHOLAS CHAMBERLAINE SCHOOL

22 October 2026

Dear Year 7 NCS Families,

We're excited to launch our Year 7 House Spelling Bee!

Students will have the chance to put their spelling skills to the test, take on some tricky words and earn glory for their House!

We've selected 56 words from 14 different subjects, ranging from straightforward spellings to some seriously challenging ones. The competition is a chance for students to have fun, build their confidence and discover just how many words they can master.

The challenge starts over half-term! Here is our colourful Spelling Bee Competition Pack containing all 56 words for students to practise at home. The aim is simple: learn to spell as many of the words correctly as possible! Students do not need to memorise the definitions.

The competition will take place after half-term, with more details to follow.

We hope you'll encourage your child to get involved, practise a few words each day and enjoy the challenge. Every word mastered is a step towards spelling success!
Four Houses. 56 Words. Who will rise to the challenge?

Best wishes,

The NCS Reading Team
