Warwickshire County Council is running this questionnaire for parents/carers of children/young people who have, or may have, Special Educational Needs or Disabilities (SEND) and whose school is participating in the Inclusion Framework for Schools trial in the Rugby Area.

Please complete the following questions by entering the relevant information or the appropriate answer. Please complete this once for each child you have at the school who has or may have SEND.

This survey is anonymous and we will not ask for any personal information. There are some equalities monitoring questions, and it would be helpful if you could complete these to aid our understanding of the diversity of service provision, however there is a 'prefer not to say' option if you would rather not provide this.

We will publish the results of the survey which may include comments left as part of survey responses, please do not provide any identifiable information in any comments you leave. For further information on how Warwickshire County Council collects, stores and handles personal information please see the SEND and Inclusion Services and Change Programme Privacy Notice (<https://bit.ly/SICPprivacy>) and WCC's Customer Privacy Notice (<https://bit.ly/WCCcustomer>).

If you would prefer a paper copy of this survey please ask your school to supply you with one. This survey can be made available in other languages, please ask your school to request this if required. If you have any further queries please contact sendchange@warwickshire.gov.uk
