Key Stage 5 Results 2025

Please see below for a summary of our results from 2024/25:

Progress

These figures tell you how much progress students who studied A levels at this school or college made between the end of key stage 4 and the end of their A level studies, compared to similar students across England.

The Value Added score for 2024/25 was 0.61. This means that on average students performed over half a grade better in all of their subjects than their target grade.

Attainment

These figures tell you the average points that students achieved per A level entry.

The average attainment score per entry was 32.4 which is the equivalent of a Grade C+. There was a 100% pass rate and 20% of students achieved three grades of at least AAB or better.

English and Maths Progress

These scores show how much progress students at this school or college made in English and maths qualifications such as GCSE re-takes, between the end of key stage 4 and the end of the 16 to 18 phase of education.

100% of students who needed to retake either or both of GCSE English or Maths during their Post 16 studies passed at Grade 4 or above.

Retention

Students retained to the end of their main course of study

89%
All students who left at the end of Year 12 went to either another local Post 16 provider or gained an apprenticeship.

Student destinations after 16 to 18

Students reaching the end of 16 to 18 study in 2025 and staying in education or employment for at least 2 terms after this.

Nicholas Chamberlaine School - 100%
85% went to university
11% went into an apprenticeship
4% went into full time employment
